## PREFACE

Fareast International University aims to train and represent students as well-rounded, critical, and socially conscious thinkers and doers. The cornerstones that provide the foundation for Fareast International University's educational mission are the life of the mind, participatory learning, interdisciplinary inquiry, and an education for facing upcoming challenge in 21<sup>st</sup> century. Fareast International University seeks to develop in its students the skills necessary to serve the profession's changing needs in an increasingly diverse, global and technologically-dependent society. As one of the nation's largest University, it meets that challenge by providing students with a core foundation in legal education, a breadth of courses and programs, and excellent training by a diverse and accessible faculty and service to their profession and communities, goal is to provide its students with access to an excellent legal education, inspire a commitment to justice, and provide its graduates the opportunity to achieve their career aspirations.

What sets Fareast International University apart from other law schools or University is its unabashed enthusiasm for the life of the mind--the conviction that ideas matter, that they are worth discussing, and that legal education should devote itself to learning for learning's sake. Learning the law at this University therefore is a passionate--even intense--venture between and among faculty and students. It begins in the classroom where students share the stage with the professor. The professor does not only lecture, but also engages the group in a dialogue, Known as the Socratic Method, this dialogue presents students with questions about thorny legal concepts and principles. Whether it is course work in a classroom setting or professional-clinical courses and workshops or individualized learning, the students of law have the advantages of a skilled guidance of the teachers in a warm, collegial and picturesque environment.

Fareast International University remains committed to provide legal education in LLM program as an education for both generalists and specialized group. Students with particular interests will find it possible to study topics in depth through advanced and more specialized courses. Emphasizing the acquisition of broad and basic knowledge of law, an understanding of the functioning of the legal system, and the development of analytic abilities of the highest order, Fareast International University's legal education prepares students for any professional role they might choose--legal practice or legal education, entrepreneurial ventures, international private or public law practice, corporate practice, government service, alternative dispute resolution including arbitration and mediation, or work with non-profit organizations.

## **Bachelor of Laws (LL.B.) (4 years Hon's Program)**

Fareast international University Bangladesh aims to introduce Four-Year LL.B course to facilitate students to obtain an LL.B.(Hon's) Degree in twelve semesters within a span of four academic years. The programme aims to provide a broader legal understanding and academic discipline. It aims to enable a student to acquire firm understanding of legal principles and their legal knowledge in various areas of law. It will help them to train themselves to be an excellent legal practitioner. Although the primary emphasis of the program is on law and the legal profession, it would also prepare persons who might be planning on a career in the Government, Judicial service, business, non-governmental organizations and social sectors dealing with law and legal activities.

The programme has been focused to develop the capabilities to identify and grow new opportunities and integrate theoretical knowledge with the capacity to apply such knowledge in practice. There are formal final examinations in most subjects and all works carried out in the programme are considered in the overall assessment. A satisfactory record of class work will also be required at each stage.

### **Duration of Study and Semester System**

The duration of the program will be 4(four) academic years. Law Faculty of Fareast International University, Bangladesh offers Four-Year LL.B. (Hon's) Degree comprising twelve semesters within a span of four academic years. Each academic year is divided into three semesters namely Spring (January to April), Summer (May to August) and Fall (September to December).

### **Academic Calendar**

The Faculty has preferred to adopt the semester system to the yearly system. An Academic year will consist of three semesters with 4 months duration in each semester which will be allotted in the following manner:

There shall be a time period of total 16 weeks. 14 weeks will be spent for class-room instructions and 2 weeks will be required for registration and examinations.

The schedule for three semesters will be as follows:

| <b>Semester</b> | <b>Description</b> | <b>Duration</b>      |
|-----------------|--------------------|----------------------|
| Semester I      | Spring             | January – April      |
| Semester II     | Summer             | May – August         |
| Semester III    | Fall               | September – December |

### **Admission Requirements**

Minimum GPA 2.5 or 2nd Division in both SSC and HSC or A Level or successful completion of twelve years of studies at high school from abroad or equivalent.
